An electronic dance music lover's guide to dancing across the world.

ABOUT ME: TENDELLE

AMSTERDAM-BASED DANCE MUSIC
FESTIVAL & NIGHTLIFE TRAVEL BLOGGER

I travel for my passion for electronic dance music.
And I motivate my readers to do the same.

From grungy clubs to glitzy festivals, as long as the experience is special, I'm there. As a dance music fan, I believe travel is most rewarding when paired with party experiences at the destination.

Through first-person narratives combined with travel advice, I guide my readers to make informed decisions in their festival & nightlife journey.
